## Statement of School Operations for School Year 2021-2021

August 16, 2021

**Lakeland Academy is focused on student learning and development, and will not involve itself in the personal health decisions of our students and their families. Unless required otherwise by a governmental entity that has jurisdiction over Lakeland Academy, *masks will not be required*, but will be permitted. We will continue to maintain our heightened sanitization and hand-washing protocols. In addition, we have installed an air purifying filter system in our building as well as fresh water dispensers for student water bottles.**

**Additionally, the *Critical Race Theory* is not part of the curriculum at Lakeland Academy and will not be instructed. Lakeland Academy teaches Ohio's Learning Standards for each grade level and content area. Our curriculum materials and resources are aligned to those learning standards. Lakeland Academy is a welcoming, safe, and positive environment for *ALL* students, staff, and visitors.**

Respectfully,

A handwritten signature in black ink that reads "McCray". The signature is written in a cursive style.

Leigh Ann McCray  
Superintendent
